Nature Pet is a dynamic e-commerce website powered by PHP, providing a convenient and reliable platform for pet enthusiasts to find a wide variety of animals and accessories.

Professional Experience

Summer internship   06.2023 – 08.2023 | Bizerte, Tunisia
Full-stack web developer, *infoPLUS* ⧉

                                                                      DEMO ⧉

During this internship, I contributed to the development of a full-stack web site for INFOplus. Using the MERN stack (MongoDB, Express.js, React.js, Node.js), I designed and implemented the essential features of the site to meet the needs of the company.

Summer internship   08.2022 – 09.2022 | Ghazela, Tunisia
Web Developer, *ESPRIT* ⧉
Development of the ESPRIT Career Center Website

Summer internship   07.2021 – 09.2021 | BIZERTE, Tunisia
Symfony Developer, *Tunisian Smart Cities* ⧉
As an intern Symfony developer at Tunisian Smart Cities, I worked on the "Ma ville en Poche" project, a web application aimed at connecting the city of Bizerte and providing citizens with real-time access to all essential services.
